2009 Service Learning Project

Here's your chance to celebrate your community service successes and share! The Service Learning activity for 2009 is a "Service Share Fair"! Each county delegation is invited to bring a small display or exhibit to showcase a service learning or community service activity held in their county. During the workshop, these exhibits will be on display so that others can see what great things are being done in 4-H.

Please limit your display to one poster board that can either be hung on a wall or displayed on an easel (you provide) or a tri-fold science fair table top type exhibit board.

The exhibits can be set up during registration on Friday evening and will remain in place till Sunday.
