

## *Attention all Parents!! Beat the gas crunch!*

Bringing campers to Brownwood this summer for camp? Stay overnight at the 4-H Conference Center instead of making two trips to bring your son/daughter to camp! We have a limited number of private rooms available in the Leadership Lodge.

- Each room is furnished with two twin beds and private bath. All linens are provided. [note, no blow dryers or in-room coffee service!] We do have four rooms that offer wheelchair accessibility, please let us know if that is desired.
- Television reception is limited, but the outdoor environment is fabulous! Internet connection is available.
- Special rate for this summer only is \$55 per room, per night
- If you'd like to dine with us, just indicate which meals (breakfast \$6.00 served at 7:30 a.m., lunch \$7.25 served at noon and dinner \$8.50 served at 6:00 p.m.)
- To register, please e-mail the 4-H Conference Center at [texas4-hcenter@ag.tamu.edu](mailto:texas4-hcenter@ag.tamu.edu) with your reservation

Of course, parents are always welcome to serve as chaperones and stay in the dorms with the youth. Chaperone fees for County Camp I is \$74, County Camp II and III is \$65, County Camp IV and Prime Time I and II is \$92. And, that **includes all your meals and lodging!** You bring your own linens for the dorms. As a chaperone, you can participate right alongside your son or daughter in all of the activities.
